Sabbath Thought

"As the shepherd leads his flock over the rocky hills, through forest and wild ravines, to grassy nooks by the riverside; as he watches them on the mountains through the lonely night, shielding from robbers, caring tenderly for the sickly and feeble, his life comes to be one with theirs. A strong and tender attachment unites him to the objects of his care. However large the flock, the shepherd knows every sheep. Everyone has its name, and responds to the name at the shepherd's call." – Ellen G White, *DOA*, p 479
