To Our Triadelphia Church Family,

Most of us have difficulty waiting for answers to our problems, but the Psalmist David invites us to...

God can help us. All we need to do is take our difficulties to Him and wait for His answers. He will give us multiple solutions or answers. He is willing and able to do more than anyone we know. No matter the difficulties we face, God invites us to **put any of our problems in His hands**. We can be strengthened and encouraged knowing He is dealing with them. He is competent in solving every difficulty and complex problem and will help us get through any situation, today and in the future. **Trust Him, Wait on Him, and be of good courage!**

~ Pastor Sam
